Gentlemen:

We very much appreciated your taking the time to meet with representatives of Pacific Airmotive Corporation ("PAC") last Friday to discuss the Regional Board's request for additional soil and groundwater studies at PAC's Burbank facility. We believe the meeting was very productive and, as agreed, we will advise you within the next week as to how quickly PAC will be able to submit a written response to the pending requests.

Very truly yours,

Jerome C. Muys, Jr.
